

Le bandierine da segnalazione devono essere quadrate (50 X 50 cm), per metà bianche e per metà rosse, divise diagonalmente. Ciascuna di esse sarà legata ad un bastoncino. Per piccole distanze (200 - 300 m) le bandierine sono il sistema più semplice per imparare a segnalare e a ricevere. Per il Semaforico ogni lettera è indicata da una differente posizione delle bandierine.
